The Warren-Tricomi Salon's color director Joel Warren, a true luminary in creating beautiful looks, calls true hair color the starting point. Warren, national spokesperson for Redken 5th Avenue, and partner Edward Tricomi create ultimate hair

fashion for people of style. Celebrity clients include Scarlett Johansen, Diane Lane and Heidi Klum. Hair by Edward Tricomi & Joel Warren. 212-262-8899; [www.warrentricomi.com](http://www.warrentricomi.com)

**BOSTON***Salon Mone't  
Boston Hair Extensions*

Those who yearn for long hair or a different look at any length find immediate success with creative hair extensions at Salon Mone't. Softly woven additions are natural, tasteful, trendy—placed under the wearer's own hair through fine handwork techniques. But these haircare specialists excel in all services: conditioning for healthy hair, styling for images both pro-

fessional and social, straightening with acclaimed Bio-Ionic processes. On upscale Newbury Street: 617-425-0009; [www.shelleeshair.com](http://www.shelleeshair.com)

**WALTHAM***Yolanda's of Waltham*

The ultimate concept of beauty, fashion and health is at the heart of Yolanda Enterprises—"where beautiful lifestyles begin." Yolanda's boutique features world-famous fashion designers in bridal, evening and sportswear—completing the total look. Imagine find-

ing every detail needed for a special occasion, custom makeover, or rejuvenating spa day. In this opulent setting, salon experts customize hair styles for everyday or special events. In MA: 781-899-6470; [www.yolandas.com](http://www.yolandas.com)

acclaimed salon and spa. Their state-of-the-art computer network makes your appointment fast and visit enjoyable. Jesamondo has the tools, training and ability to change your hair color and image as easily as you change your clothes. You can be a red head

one day and brunette another, create stunning highlights or even remove color with accuracy. In MA: 781-237-0655

**NEW YORK***Christo Fifth Avenue Salon*

"LOVE YOUR CURLS" CURLISTO systems—an extraordinary A to Z line of products—nourishes luscious curls. Combined with advanced cutting techniques, tools and special treatments such as Bio-Softening, Reconditioning and Ion therapy, they result in optimum hairstyles. Top educator/director Christo teaches in Europe and Asia. His artistic team sets the trend for curly hair

fashion. Often quoted, he's referred to as "the king of curls" by national beauty editors. 212-997-8800; [www.Curlisto.com](http://www.Curlisto.com)

**DANBURY***Dawn's Pizzazz*

"We design your total image, not just your hair," says owner/master stylist Dawn Blom. Dawn's team members are all L'Oréal and Graham Webb-educated experts. They say the cutting-edge trend from Paris for spring is earth-tone hair colors—clay, khaki and deep hues of terracotta. Of course, traditional classic colors like red, gold and honey are still fresh and sophisticated. Voted one of the growing salons by Salon Today magazine. 2004.
